

Bay Recreation Department Updates

The City of Bay Village and the Bay Recreation Department are following the mandates put into place by the Governor of Ohio to stop the spread of the Coronavirus. Until the Governor releases new health orders, we will continue to take precautionary measures for the safety of our residents. In response to the most recent updates from the Governor, the following measures have been taken:

The Bay Recreation Office staff can be reached by email at bayrecoffice@cityofbayvillage.com or phone at 440-871-6755. The office has moved locations to the Community House (303 Cahoon Road).

The Fitness Room is open beginning December 7, 2020. There will be 45 minute time slots that members can sign up for beginning at 6:00 am and the last time slot currently will be 1:00 pm. This allows staff to clean and sanitize the facility in-between use. To sign up, call the Community Gym Office line at 440-617-7672. After 2:00 pm, call the Recreation Department at 440-871-6755. **Please note that the Fitness Room will be closed for the Holidays on December 23-27 and December 30-January 3.**

PARKS:

Please note that social distancing of at least six feet apart from others is still being enforced. The lights in the Parks have been shut down until spring. Security Lighting remains in the Parks.

- The Tennis Courts are open at Bradley, Cahoon and Reese.
- The Pickleball Courts at Reese Park are open.
- The Skate and Bike Park are open.
- The ball fields at Bradley, Dover and Reese are open.
- The Playgrounds at Bradley, Reese and Play in Bay are open.
- The Basketball Courts at Bradley, Cahoon and Reese are open.
- The Sand Volleyball Courts at Bradley and Cahoon are closed.

Exercise in public parks and outdoors is permitted if complying with the social distancing requirements (maintaining 6 feet between individuals).

ACTIVITIES/PROGRAMS:

Winter Program Registration

We will be offering limited activities for the 2020-2021 winter seasons due to COVID-19. Safety, capacity and social distancing protocols are important aspects under consideration. We will provide updates on these activities regularly. Please visit our website to view and register for the latest available programs.

Programs currently available:

- Basketball Leagues
 - Girls 3 & 4 Grade
 - Girls 5 & 6 Grade
 - Boys 3 & 4 Grade
 - Boys 5 & 6 Grade
 - Boys 7 & 8 Grade
 - High School

We will continue to monitor updates through the Health Departments and Centers for Disease Control.
